Hosted by Corus Deeside Archery Club

Tournament Organiser's Report :

The Corus 1440 seems to be the place where judges want to retire at, joking apart this year we are losing Kathleen Collinson from the circuit, I would on behalf of Corus like to thank her for all she has done over the years Judging tournaments, especially for us, some people think that judges just turn up on the day blow the whistle and then go home, over the years I have had a lot of fun and banter with judges, but I still have a lot of respect for what they do within the archery world, they were always ready to give me advise whenever I needed It and I needed a lot over the years. Good luck Kath and thank you again .

Chairman of Judges : Kath Collinson

Director of Shooting : Kath Collinson

Judges : Bill Thomas, David Page, Chris Platton,

*Don't forget to smile pretend
you are enjoying it*

Weather:-

Saturday - Sunny day gusty & variable wind in the morning easing through the day.

Sunday - Wind deceased sun out all day.

As to the tournament. Thanks to all the shooters who entered and made the weekend a Success, this year was the first time we shot across the field giving us a big overshoot and the sun behind the archers during the day.

The entries were down on last year, looking around the tournaments this seems to be the norm, does anybody know why? Still the weather turned up for those who came along.

We had a few technical problems, no hot water in the showers (somebody nicked the gas meter) system crash on the computer (no electric) 2 Judges could not make it one stuck in the USA the other had his car stolen; now I know why I asked Peter Morris to be Lord Patron, he stepped in and helped out where and when he was needed. (Thanks lord P)

Do you think it's a flying saucer

*are you certain the bus
Stops here*

Is this what my coach said to do

Now that's all over what do I do next week?

I personally would like to thank Corus A/C members for use of personal equipment, tents and trailers etc.

Last but not least all who gave their valuable time over the weekend, without you there would be no tournament
