

CORUS DEESIDE ARCHERY CLUB 2018 PORTSMOUTH

Thanks to the Judges for keeping good control over the tight schedule for the day, I was on panic station Saturday night thinking will I have to do the judging myself, thanks to Chris Platon for making the journey from Burnley and Jason Lynch giving up his days shooting.

Due the sudden change in the weather I was really surprised and pleased the amount of you that turned out, thanks you all who entered and got to the venue to make the tournament a success, hope you all reached your individual goals if not enjoyed the day, you kept the tournament moving smoothly and kept inside the tight time schedule set and you all had a safe and trouble free journey home.

The venue's temperature was not very good rising up and down from warm to cold, one thing Archers always seemed to be is well prepared for any situation, such a big area to keep warm I suppose, the lighting was quite good for indoor shooting though, My thanks to you all.

I personally would like to thank Corus A/C members who gave their valuable time Saturday afternoon transporting equipment form the sports field to the collage and setting up the field, Sunday clearing the field and transporting equipment back to the club, it was one of the best team efforts without doubt and don't forget the tea ladies great job girls. Always a good thing to remember without the club members it would never happen, there would be no tournament.
