**Tournament Organiser's Report :**

Thanks to the Judges for keeping good control over the tight schedule for the day

Glen Small,

Chris Platon,

Rebeca Thompson Lawrence,

and judging her first tournament Hannah Wilson

This is the first year we have used the foam layered bosses indoor and 3 spot vertical faces for the compound shooters, I think they are great so what do you think.

Thanks to all the Archers who entered and made the tournament a success, hope you reached all your individual goals, you kept the tournament moving smoothly and kept inside the tight time schedule set. A few small hiccups, one occasion I had 2 archers down to shoot on the same detail soon sorted with their cooperation The venue's temperature and lighting was quite pleasant to shoot in. for those who know Greg Grogan ( the camera man) The photos can be seen by clicking on the link below they are worth looking at <https://goo.gl/photos/6kVXLBtsJUW8KfDXA>

My thanks to you all

I personally would like to thank Corus A/C members who gave their valuable time over the weekend, without you there would be no tournament.
